On 6/24/09, Eustis Cable made a notice of excavation activities to Dig Safe System Inc. Waitsfield Champlain Valley Telecom did not accurately locate and mark its underground facilities in the area of the proposed excavation. During the course of the excavation an unmarked WCVT service line was struck and damaged causing a phone service outage to the homeowner for approximately 3 hours. The Department of Public Service issued 5 Notices of Probable Violation (NOPV's) to Waitsfield Champlain Valley Telecom during the 12 months preceding this incident."

Because the Respondent has not contested the NOPV, or the allegations therein, we conclude that the remedial action proposed in the NOPV is appropriate, and should be imposed.²
